# Magdala Synagogue

Magdala's first century synagogue is a special jewel in the Galilee region as it is the best preserved synagogue of the Second Temple period in the Galilee. Within it visitors can encounter the Magdala Stone, a carved ornamental stone which is believed to represent the Second Temple in Jerusalem. Host your son's or daughter's coming of age in this ancient treasure of Judaism and make this event a truly unforgettable ceremony. The Magdala synagogue area may be available for other events.
